

LANCHESTER LANDFILL COMPOST FACILITY

Spring is just around the corner!

Leaf compost can be used to amend garden soil. The addition of leaf compost to garden soil will increase the organic nutrient levels in the soil making it ideal for plant growth. We sell high quality leaf compost.

Screened to $\frac{3}{4}$ inch minus

By the bag: 30-gallon bag \$2.50 per bag

40-gallon bag \$3.50 per bag
